G-ANGeL

Why is G-ANGeL Unique?

Following Jesus' model of leadership multiplication, The Academy is:

Reproducible: The focus breeds leadership multiplication and transferability.

Sustainable: Apprenticing and peer coaching insure longevity.

Contextualized: All training is derived from leaders own assessment of needs, shortening the cultural learning curve.

Clear-Understandable: Key learnings are utilized based on the belief that less (information) leads to greater change.

About the Founders

Dr. Roland and Patricia Niednagel, fueled by their passion to help empower overlooked emerging cultures, Pastors, Leaders and Wives, founded G-ANGeL and Lifelong Leadership Network International in 2007.

Roland and Patricia served in churches for over thirty-five years each, Roland as a Church Planter and Senior Pastor, and Patricia as a Celebration Arts and Worship Director.

Together they have trained and coached Pastors, Leaders, and their Wives from over forty countries on six continents.

Roland and Patricia partner with Kingdom expanding ministries worldwide under the umbrella of Global Training Network.

Who Benefits From The Academy?

Did you know: Most (millions of) Pastors, Leaders and Wives will never receive any designed training unless someone goes to them? Why? They cannot afford the time or money to leave their families or ministries.

The Academy goes to the areas where local institutions are unable or unwilling to go, bringing hope, training and resources to hungry, teachable leaders.

Did you know: Thousands of Women Leaders have never been trained by another woman? So, women's issues are often overlooked. The Academy gives equal priority to developing women, as the world will

not be reached for Christ without the contribution of women.

What is G-ANGeL?

A life transforming training process for the millions of overlooked Pastors, and Men and Women Leaders worldwide who have a passion to reach their world for Christ through compassion ministries and church planting movements.

How Does It Work?

The potential for life change through the Academy is greater than a semester of school. The Academy emphasizes a process that employs key learnings, action steps, life plans and peer coaching for prayerful follow through.

The Academy is designed to be offered up to three times per year in a country. Adaptable to cultures worldwide, Conferences for men and women are two to five days in length, focusing on action steps for life change and impact.
